13. If Geofabrics forms the view, for any reason, after it receives a payment from the Customer and applies the payment to a debt owed to Geofabrics by the Customer, that Geofabrics is obliged to disgorge the payment or portion thereof to a liquidator appointed to the Customer, Geofabrics' rights are reinstated in relation to the debt that it applied the payment to (as if the payment had never been made) and the Guarantor shall be liable to pay Geofabrics the amount it disgorges to the liquidator. Furthermore, the Guarantor indemnifies Geofabrics against any and all losses and/or legal costs Geofabrics incurs (on a full indemnity basis) as a result of disgorging monies to any liquidator appointed to the Customer and/or challenging and/or defending a preference demand and/or Claim made by a liquidator of the Customer.
